

Shock Compression of Condensed Matter – 2003

(Proceedings of 2003 APS Topical Conference on Shock Compression of Condensed Matter, Portland OR, July 20-25, 2003)

Important forms for authors of manuscripts

Please complete and submit the attached forms with your manuscript.

1. Subject Indexing Terms – as noted, for purposes of constructing a subject index
2. Transfer of Copyright Agreement – Required for all manuscripts.
3. Offprint / Reprint Request Form – Optional, but must be completed if reprints are desired. Unfortunately budget constraints do not allow us to offer 20 gratis free reprints per manuscript for this meeting.
4. Request for permission to reprint published material – Required if you are reproducing copyrighted material in your manuscript. See pp. 4 – 5 of the Author Instruction Booklet for more information.

Also attached is a template for the page layout, which may be printed on vugraf stock. BE AWARE that individual printers may produce slightly varying sizes of printouts – you are responsible for verifying that the pages fit into a space 6.25” wide and 8” high (or metric equivalent).

Questions? Please contact the Editor, Michael Furnish, email mdfurni@sandia.gov, or phone (505) 844-2877.

Thank you!
